NOTE: You are required to provide a date and time for inspection on this permit. You must also be ready for inspection at the time given, if not a **\$75** Re-Inspection fee will issued. Failure to request a proper fire safety inspection will lead to the issuance of a fire code penalty and refusal by the Fire Official to issue future permits to your company. Also, please include the Occupancy Load of the Room Event is to be held.

DIAGRAM (IF NECESSARY)

**THE UNIFORM FIRE CODE STATES:**

"It shall be unlawful to engage in any business activity involving the handling, storage or use of hazardous substances, materials or devices, or to maintain, store or handle materials; to conduct processes, which produce conditions hazardous to life or property; to install equipment used in connection with such activities, or to establish a place of assembly without first obtaining a permit from the Fire Official". (NJAC 5:70-2.7 (a))

NOTE: Each individual act requires a separate permit. You should consult your local Fire Official for the number and types of permits required and for information on fees.

I hereby acknowledge that I have read this application. That the information given is correct and that I am the owner or duly authorized to act in the owners behalf and as such, hereby agree to comply with the Applicable requirements of the Fire Code, as well as any specific conditions imposed by the Fire Official.
